OUR MISSION

The purpose of the Office of Educational Outreach is to administer, manage, facilitate, and deliver cost-effective contract courses and degree programs offered by the University of South Carolina to South Carolina schools, districts, internal departments, and state entities while providing support for course participants and instructors.

OUR PROMISE

Our staff members will:

- ✓ meet with you to plan course or degree program contracts
- ✓ visit SC schools and districts to bring your ideas to fruition
- ✓ advise you on budgeting
- ✓ manage approvals
- ✓ suggest ideas for marketing
- ✓ ensure contract course success by working closely with you
- ✓ work closely with instructors and students to offer support as needed
- ✓ customize courses to fit your needs
